Policy statement

It is our intention to make Cherry Blossom Nursery and Preschool accessible to children and families from every part of our local community. We aim to ensure that our local community has access to the nursery through open, fair and clearly communicated procedures.

Procedures

- We aim to ensure that information about our nursery is communicated to all parts of our community.
- Where/when necessary we will try to provide information about our nursery in a variety of forms e.g. Braille, different languages etc
- We keep a place vacant, if this is financially viable, to accommodate an emergency admission.
- We describe our nursery and its practice in terms that welcomes both mums and dads, other relations, carers etc.
- We describe our nursery and its practice in terms of how it treats each child and their family, and having regard to their individual needs.
- We aim to be totally inclusive and welcome all children and families.
