

General Welfare Requirement: Safeguarding and Promoting Children's Welfare

The provider must take necessary steps to safeguard and promote the welfare of children.

Safeguarding Children

Children's Rights and Entitlements

Policy Statement

At Cherry Blossom Nursery and Preschool we embrace our British Values - The Rule of Law, Mutual Respect, Individual Liberty and Democracy. We remember what they mean to us - We respect our friends from other cultures. We have a voice and we are listened to. We make decisions together and we learn right from wrong by having agreed boundaries.

Procedures

Therefore by working together and treating everyone as individuals

- ☐ We encourage children to have a positive self-image, to celebrate their heritage, their spoken language at home, their colour, their race, their religious beliefs and their home backgrounds.
- ☐ We encourage children to believe in themselves, to make decisions and to be independent.
- ☐ We encourage children to be strong and to have the understanding and confidence to keep safe and to resist inappropriate approaches.
 - ☐ We treat each and every child as an individual
- ☐ We encourage healthy and genuine relationships with family and friends.
- ☐ We work with parents as close partners in the care and safeguarding of children.
